

# Creativity Camp

## Brain training!

May 11, 2005

**Be part of a unique experience that will both inspire and inform. Discover tools to generate new ideas, break through old thinking, and anticipate the demands of the future!**

Connect with like-minded individuals to increase your creative potential and expanding your thinking skills. At Creativity Camp, you'll learn how to turn your ideas into action while heightening your senses and expanding your mind to possibilities. Creativity Camp's environment is exciting, inspirational and fun! Make new friends; forge creative alliances!

Inspirational, motivated and *creative* Camp Counselors work with you to generate ideas and options to turn into profitable results. Bring your energy and an open mind. Our Camp Counselors take care of the rest.

You'll receive a take-away creativity kit to jumpstart your ideas back at work with action plans for opening mental blocks to creativity, an idea box, and tools for assessing your creativity and its potential.

### Learning Topics

Our goal is to transform the imagined into the expressed. This introduction to — and practice with — a wide range of tools and strategies builds the foundation for personal growth, creative thinking, and innovation. Topics include:

- Innovative techniques you and your teams can use to generate new ideas
- Fostering a work environment that stimulates creativity and problem solving
- Secrets to inventing solutions to problems that would have stumped you in the past
- Transforming individuals into an energized, creative team

**Cost:** \$249.00+GST per person

**Location:** Vancouver, BC

**Time:** 9:30am to 4:30pm, May 11, 2005 (Wednesday)

This event is held once yearly (maximum 40 participants).

### Who Should Attend?

- Anyone at any level who wants to unleash their own creativity and that of others to help generate fresh ideas, solve problems and make better decisions.
- Teams who want to work more effectively together or need to tackle specific problems
